

MRC Base/Mount Recommendation

Short and Long Actions: Montana Rifle Company recommends Leupold, Warne bases/mounts for our Short and Long Actions. *Our holes are drilled as Winchester Post-64 Classic two-piece bases.* Leupold's silver mounts are not the same color as the SS of our rifles. Therefore, you may consider the matte or gloss finish, based on your scope.

Leupold Dual Dovetail Bases:

- 50045 DD 70 Gloss
- 50046 DD 70 Matte
- 57286 DD 70 Silver

Leupold Quick Release Two-Piece Bases:

- 50053 QR 70 Gloss
- 50054 QR 70 Matte
- 57538 QR 70 Silver

Leupold Standard Two-Piece Bases:

- 50020 Std 70 RVR Gloss
- 50021 Std 70 RVR Matte
- 50022 Std 70 RVF/R Gloss
- 50023 Std 70 RVF/R Matte
- 50024 Std 70 RVF/R Silver
- M905 (.854" steel front extension base)

Warne Standard Two-Piece Base:

- M902/924 (two-piece steel set)
- S902/924 (two-piece sintered steel set)
- M904/924 (two-piece steel extension base) **
- M904 (.554" steel front extension base)

If one-piece bases are what you need, Montana Rifle Company recommends Ken Farrell or Evolutionary Gun Works bases/mounts for our Short and Long Actions.
